Effective Governance and Operations

TCC will adopt and implement the highest level of ethical and legal non-profit standards to be fully transparent, accountable to its stakeholders, and public

- Ongoing reporting and compliance with the state law and IRS
- Ethical and transparent fundraising
- Accountability to donors
- Disclosing to the public what the law requires
- Policy implementation
- Transparent, effective, inclusive and consensus oriented and accountable board governance

EVALUATION

We will measure our success by parent/youth surveys and other stats such as total community service hours of students.

We will measure our success by community surveys, participants feedback and other stats

We will measure our success by community surveys and participants feedback and other stats.

We will measure our transparency and accountability success by an independent auditor report.
